## Class: Preparatory

ALL RIGHTS RESERVED MARCH 2023

### GLOBALLY IMPORTANT DAYS OF THE MONTH

**1 March – Zero Discrimination Day** To draw attention to the worsening inequality and injustice that currently exist around the world, Zero Discrimination Day 2023 calls for urgent action to end those differences related to income, gender, age, overall health, profession, impairment, sexual preference, substance use, gender identification, racial group, class, ethnic background, and religion.

**3 March – World Wildlife Day** World Wildlife Day 2023 will be celebrated on March 3, 2023 around the globe. The purpose of the day is to promote wildlife interest and promote people to learn about the wide range of plants and animals all around the globe. Another way of saying this is that it is the commemoration of all the wonderful species that call Earth home.

**4 March – National Safety Day** India will celebrate the National Safety Day 2023 on March 4, 2023. The National Safety Day/Safety Week Program emphasizes the need of reducing the incidence of industrial accidents, as well as the necessity of focusing on sectors that haven't even been protected through any safety laws, such as construction sites.

#### CAMPUS CLANDESTINE

The month of February was filled with healthy eating habits which develops taste for raw vegetables as the project of the month was 'Cucumber'. Children learnt about the nutritional value of cucumbers, how they grow, sandwiches and salad recipes with cucumber, uses of cucumber other than eating, etc., The most awaited Jashn-e- Bachpan rendered a lot of enthusiasm, exhilaration, and positivity among students and teachers. It was indeed a feast to the parents when the tiny tots performed their theatre skills like body language, gesture, communication, facial expression, timing, and eye contact in the form of drama on their read programme book. The performance showered a limitless opportunity for the little dipsites to widen their talents. The little scientist explored does an orange float or sink during the Reggio activity. The month culminated by a postman activity where the Preppers showed their gratitude and love to the Preparatory class in the form of drawings and happy notes. The activities like the kitchen garden, annual theme, art and craft, potter's wheel, hand wash, etc., made all their senses immersed and nurtured the little hearts to vibrantly participated throughout the month.

**8 March – International Women's Day** International Women's Day is an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide.

**22 March – World Water Day** On March 22, the globe celebrates World Water Day, a time to spread education about the significance of clean drinking water and the need to manage its supplies sustainably. On this day, people all around the globe are reminded of the global water problem. One of the most important things to have been access to clean drinking water.

## **THEME OF THE MONTH- RECAPITULATION OF ALL THEMES**

The month of April began with the theme 'My Family' which helped the young buddies to connect with who they are, made them feel pride about their families and laid a foundation for understanding others. The project 'My Mother' in June enfolded the general awareness of mothers in our life, the duties of a mother, respecting and appreciating a mother's efforts in nurturing her children, helping mothers in household chores, etc., The theme 'Animals' and the project 'Dog' in the month of July and August rendered a wide knowledge about different animals and birds, natural habitats, breeds of dogs, and taking care of pet dogs, etc., The month of September had taught different types of community helpers and the uniform they wear, the responsibilities of different community helpers, their tools, and workstation. Through the project 'Clothes' children learned about dresses of different parts of India, buying clothes made in India, types of clothes, and the journey of cloth, etc., The little hearts learnt about the importance of all festivals, types of festivals, spending quality time with festivals, sharing gifts and food, etc., in the month of November. The project 'Sweets' in December month offered knowledge about types of sweets eaten at various festivals, traditional food, and sweets of different states, and awareness about the demerits of eating too many sweets. The 'Vegetable' theme in the month of January focused on types of plants, things required for the plants to grow, different shapes, sizes, colours, and textures of vegetables and fruit, the importance of trees, etc., The project 'Cucumber' in the month of February spoke about nutritional value of cucumber, how they grow, sandwiches and salad recipes with cucumber.

### **PARENTAL TIPS**

- Boost your child's Self-Esteem: Your words and actions as a parent affect their developing self-esteem more than anything else.
- Make a point of finding something to praise every day. Be generous with rewards – your love, hugs can work wonders and are often reward enough.

### **RHYMES & FUN**

#### **The Vegetable Song**

To the tune of Twinkle, Twinkle Little Star

Carrots, peas, and broccoli  
Vegetables are good for me,  
For my snack and in my lunch,  
Veggies sticks are great to munch.  
Carrots, peas, and broccoli  
Vegetables are good for me!
